

NSI

A connection you can count on.

When diagnostic equipment failure is not an option, turn to NSI.

NSI offers you the confidence and convenience of one reliable source for all of your sleep and neuroscience diagnostic needs, including sensors, electrodes, and accessories. At NSI, we pride ourselves on bringing you products that meet the highest standards of accuracy and are designed to save you time and money, because we know your minutes matter.

To order, call us toll-free at 1-800-638-6027, or view our catalog and buy online at www.integraneurosupplies.com.
